

What is ProBio C+?

ProBio C+ is a comprehensive wellness supplement that combines **Vitamin C, probiotics, zinc, and a prebiotic called galacto-oligosaccharides (GOS)**. This blend is carefully crafted to support **both immune and digestive health**, leveraging the unique synergy between Vitamin C and probiotics for optimal wellness.

Major Ingredients Ascorbic Acid(Vitamin C)

Vitamin C is a water-soluble vitamin found in **citrus and other fruits, berries and vegetables**. It is also a **generic prescription medication** and in some countries is sold as a non-prescription dietary supplement.

As a therapy, it is used to prevent and treat scurvy, a disease caused by vitamin C deficiency.

Proven By Clinical Study

Immune System Support

A study published in the Cochrane Database of Systematic Reviews found that Vitamin C supplementation could **reduce the duration of the common cold by 8% in adults and 14% in children**.

8%

14%

Why choose ProBio C+?

Comprehensive Health Support

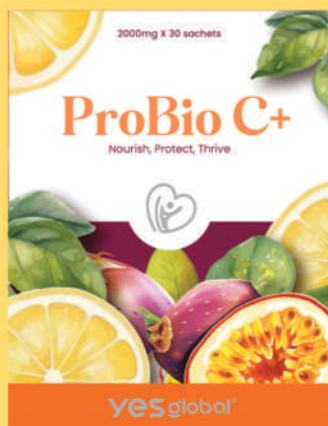

ProBio C+ combines the synergistic power of Vitamin C, probiotics, zinc, and galacto-oligosaccharides (GOS), a prebiotic, to offer a **comprehensive health solution**. The carefully balanced blend of Vitamin C and zinc is specifically formulated to **enhance immune function, working together to provide more effective support**.

Backed By Rigorous Research

The critical role of **gut health is well-supported** by research from the National Center for Biotechnology Information (NCBI), which underscores the **importance of probiotics in sustaining a healthy microbiome**.

Overall Benefits

- Optimized gut health
- Enhanced immune support
- Support bone health
- Antioxidant protection
- Collagen production
- Anti-inflammatory properties

Major Ingredients

Passion Fruit Concentrate

Passion fruit concentrate is a liquid extract of the passion fruit that's rich in **vitamins A and C, potassium, magnesium, and antioxidants**. It has a tart flavor with tropical notes and can be used in both sweet and savory dishes.

Other Benefits

Enhanced Iron Absorption

Vitamin C enhances the absorption of non-heme iron, helping to prevent iron deficiency anemia.

Supports Heart Health

It can help lower blood pressure, reduce cholesterol levels, and improve blood vessel function, supporting overall cardiovascular health.

Prevents Scurvy

Scurvy is a serious Vitamin C deficiency condition, leading to fatigue, gum disease, and skin issues. Vitamin C intake ensures adequate levels to prevent this.

Mood Support

Some studies suggest that Vitamin C may have a positive effect on mood and reduce symptoms of anxiety and depression.

Our Ingredients

Our formulation includes SynPro-15G, a unique probiotic blend combined with additional beneficial strains designed to help maintain a balanced gut microbiome. This advanced formula supports both digestive and immune health for optimal wellness. With SynPro-15G, you're giving your body the essential probiotics it needs for a healthier gut and fortified defenses.

Other Ingredients

Honey Extract
Honey Extract is a natural ingredient rich in antioxidants and moisturizing agents.

Turmeric Concentrate
Turmeric Concentrate is a potent antioxidant and anti-inflammatory for joint and overall health.

Galacto oligosaccharide (GOS) is a prebiotic that supports beneficial gut bacteria.

Inulin is a natural prebiotic fiber that promotes healthy digestion and gut bacteria.

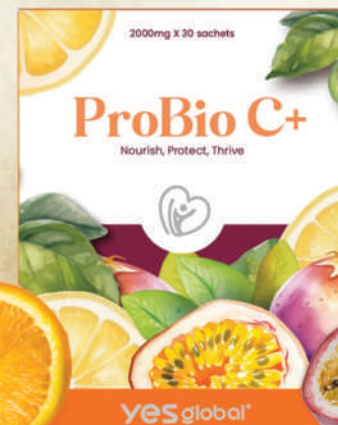

Zinc is an essential mineral that supports immune function, wound healing, and cellular health.
